The Warren County Cattlemen's Association is happy to present two \$500 scholarships to a high school senior. The scholarships are available to 4-H or FFA members actively participating in a beef project/production. Those applicants whose parents or grandparents are members of the Warren County Cattlemen's Association or the applicant is a member of the Warren County Cattlemen's Association/Kentucky Junior Cattlemen's Association will be given a weighted advantage with all other factors being equal.

The determination of the winners for these scholarships will be based upon academic achievements, leadership qualities, extracurricular activities, and plans for a career in an Ag-related field.

These scholarships will be sent to the higher education institution of the winner's choice prior to the fee payment date for the first semester of the academic year. An independent board (other than the Warren County Cattlemen's Association) will be selecting two primary winners and one alternate.

Applicants should complete the application process by April 30, 2010 and mail it to:
